

MOVABLE 7TH CHORDS

Dominant 7th Chords ● = Root ○ = Not Played

G 7TH ROOT ON E STRING

A guitar fretboard diagram showing the G7 chord with the root on the E string. The root is marked with a red circle '1' on the 3rd fret of the E string. The other notes are marked with black circles: '1' on the 2nd fret of the A string, '2' on the 2nd fret of the D string, and '3' on the 3rd fret of the G string. The strings from B to E are not played, indicated by a yellow circle with a diagonal slash.

G 7TH ROOT ON A STRING

A guitar fretboard diagram showing the G7 chord with the root on the A string. The root is marked with a red circle '1' on the 2nd fret of the A string. The other notes are marked with black circles: '1' on the 2nd fret of the D string, '3' on the 3rd fret of the G string, and '4' on the 4th fret of the B string. The strings from E to A are not played, indicated by a yellow circle with a diagonal slash.
